

# Trinational BioValley Matchmaking

**NEW FREE SERVICES**  
TO BOOST YOUR BIO-BUSINESS!

- ① **Finding of academic and/or industrial competences and products** for requests coming from the BioValley region and from external
- ① **Providing a complete economic overview of the BioValley region** in order to attract further Biotech and MedTech companies
- ① **Promotion of the economic strength of the BioValley region** during national and international events
- ① **Representation of companies and academic laboratories** from the BioValley region during national and international events

**A Trinational BioValley Matchmaking Team has been build up in the framework of the EU financed Interreg IV program. We are aiming at the development of a collaborative and most dynamic platform to exchange information between the three BioValley regions.**
